ADAP1-4 SCEPTER TOWER OF SPELLGARD

ADAP03 Prophecy of Lady Saharel

Of all the loremasters of Ancient Netheril, one of the greatest was Lady Saharel, ruler of the fortress of Saharelgard. The fortress has long since fallen into ruin, but the Lady yet remains, existing beyond death as a prophetic spirit. One those rare occasions when she appears within the ruins, she answers questions for mortal seekers. Although no prophecy is supposed to be able to determine the future with complete accuracy, it is said that Lady Saharel's answers have yet to be proven wrong. As a result, numerous travelers seek the rubble of Spellgard in hopes that they will be favored with an answer from the Lady.

You have performed a great service for Lady Saharel, and in return she has given you a personal prophecy, within which is hidden the answer to a single question of your choosing. Write the exact question that you asked Lady Saharel on your Adventure Log. It may take you the rest of your life to discover the true meaning of Lady Saharel's words, but the ways of prophecy are mysterious, and one never knows how such powerful forces might help to shape your destiny.

ADAP04 Contact with the Harpers

You have made contact with an agent of the Harpers, an organization dedicated to protecting those in need. The Harpers' main goal is fighting to rid the world of the evil influence of the Shadovar of Netheril. At this time, all you can be certain of is that your name is now known to the Harpers. Perhaps you will have the opportunity to prove yourself in future adventures and become a member of this mysterious and secretive organization.
