***CORE1-5 TOUCHED BY DARKNESS***

### **CORE10 Search for the Missing Children**

You rescued a group of children from a group of kidnappers who also faked the death of their victims to prevent people looking for the children. When you returned these children to a safe place, the guardians expressed concern that the group of kidnappers has been busy for much longer. You promised to keep your eyes open on your adventures and to free any such children you find. This starts a Major Quest.
