

DUNGEONS & DRAGONS **LIVING FORGOTTEN REALMS**

ADAP4~ 9 HALLS OF UNDERMOUNTAIN 3: SCALY DOOM

UNDR08 Angered Malar

By disrupting his plans in Undermountain, you have angered Malar. Although Malar's mark on you is not physical in nature, when you are in a confrontation with creatures who worship Malar, they recognize their god's hatred of you and make you a preferred target.

UNDR09 Third Clue to Finding Rutherford Urnbrusk

Enda Yate has provided you with the third clue to finding the missing noble Rutherford Urnbrusk.

If you also have (or later earn) both Story Awards **UNDR02** and **UNDR06**, you can earn a special Major Quest award by completing the *Dungeon* adventure *Halaster's Haunt*.

UNDR10 Friend in the City Watch

You provided Colonel Knag with information that allowed him to close one or two "open" cases. Knag assures you that he will seek to repay your assistance by providing you with information when you are in Waterdeep.

At the DM's discretion, this benefit could range from a bonus on a Streetwise or History skill check, to an automatic success during a skill challenge, to a roleplaying benefit (such as access to an informant or an introduction to a higher-ranking officer of the Watch). This benefit is not voided when used.

If you also have Story Award **UNDR01**, then Knag is truly impressed by your sense of civic responsibility. He goes so far as to promise to speak up for you if you ever get in trouble with the City Watch (at the DM's discretion and depending on the severity of the offense, this could result in a fine against you being reduced or waived, or an unfavorable Story Award relating to the Waterdeep authorities being negated). Cross out this paragraph when used (but you do not lose the other benefits of this Story Award, nor do you lose the benefits of UNDR01).
