IMPII-7 MASQUERADE

IMPI13 An Old Man's Thanks

You didn't need to stop and help Mattaus fix his cart, but he is ever so grateful you did. While he had nothing more than kind words and advice to offer as payment, one never knows how much reward his friendship, and his promise to offer you a deal on any of his wares, may reap in the future.

IMPI14 Lord Gultenov's Gratitude

By stopping Bronlin, you have done Impiltur a great service. In doing so, you rescued Lord Gultenov's only daughter, Salma, and he considers that the greater and more honorable act worthy of his favor. Being on such good terms with a noble house of Impiltur will no doubt bring fame, fortune—and more adventure—to your door.
