

## DUNGEONS & DRAGONS LIVING FORGOTTEN REALMS

(character name)

HAS RECEIVED STORY AWARDS FROM

**SPEC5~3 WHAT DISTANT SKIES**

### SPEC69 Halruaan Spellscar

While locked in combat with the plaguescarred lizardfolk of Rethild, you were exposed - and nearly succumbed - to a mysterious disease known as Halruaan Consumption. While you managed to avoid disintegrating into luminous blue dust, you still bear the magical scars of your travails.

You gain Student of the Plague (*Forgotten Realms Player's Guide* 138) as a bonus feat. You also gain the abilities Spellscarred Susceptibility and Spellplague Sense (as normal for a spellscarred creature).

**Spellscarred Susceptibility:** A spellscarred creature takes a -2 penalty to all defenses and saving throws against the Spellplague and the same penalty against plaguechanged or spellscarred creatures.

**Spellplague Sense:** A spellscarred creature knows when an area of Spellplague, or a plaguechanged or spellscarred creature, is within 5 squares of him or her.

### SPEC70 Repaired Skyship

You helped the Five Companies repair the skyships *Storm of Vengeance* and *Buccaneer's Tear*. These ships, among others, may be a vital resource for the forces of Cormyr and their allies in the upcoming battles against Netheril.

Indicate below the level of success for your repairs:

- ☐ Wind-Sail and a Prayer (level 1)
- ☐ Battle-ready and Skyship-shape (level 2)
- ☐ Right Into the Danger Zone (level 3)

The level of success you achieved will have an impact on future adventures (especially *ADCP5-2 Best Defense*). This Story Award also counts as a favor with both the nation of Cormyr and the Five Companies.
